Oregon Music Hall of Fame Awards College Scholarship to Wilson High School Graduate, Adrienne Hoarfrost

June 18, 2007

Adrienne was the elated recipient of the highly sought-after OMHOF Music Education Scholarship for 2007 which she accepted with the support of her Wilson High School Principal, Sue Brent.

In 3rd grade, Adrienne was complimented on her vibrato while singing along to a piano accompaniment, to which she questioned, "What's vibrato?"

Her singing rang true in her 8 year experience with the Oregon Children's Choir and Youth Chorale, directed by Sandra Miller, as well as, private voice lessons from Theresa Koon. She considers these two inspirational women as magnificent musical role models that prepared her many opportunities in Wilson High School musicals, and a lead in "Kiss Me Kate" that were directed by the WHS chorale teacher, Mr. Pete.

If you were to ask Adrienne, what singing meant to her, her reply would be, "Music is a deeply rooted part of my personality, and it allows me to express myself in a way that I couldn't otherwise. This expression has given me a strong sense of self that has made me more in tune with the world around me, and more prepared for the life ahead of me. I feel so fortunate to have it in my life!"

Adrienne will be studying Music and Pre-Med at Dartmouth this fall, where she plans to audition for an a cappella group, called the Rockapellas, and a musical theater group, Far Off Broadway Productions.

The Oregon Music Hall of Fame, her Principal, and her musical educators wish her great success with her studies and to keep music in her life.

The Oregon Music Hall of Fame is a non-profit organization created to help preserve Oregon's unique musical heritage. The focus of OMHOF is to recognize and promote the legacy of exceptional musicians, while preserving and enriching musical education programs in Oregon.
